

A satellite image of a tropical cyclone, showing a bright, swirling cloud structure with a distinct eye in the center. The colors range from dark blue to bright white, indicating different cloud heights and temperatures.

Tropical Cyclone Conditions and Reception conditions

GENERAL INFORMATION

- Tropical Cyclone Conditions are used to move installations into higher states of readiness as a hurricane approaches
- Lackland uses a matching Reception Condition in order to prepare for the arrival of evacuees
- Each condition initiates preparatory actions appropriate to that stage of readiness

Reception Condition 4

- When Navy goes to Tropical Cyclone Condition 4 (possible destructive winds in 72 hours)
- Lackland reviews procedures and begins preparatory actions for possible evacuation.

Reception Condition 3

- When Navy goes to Tropical Cyclone Condition 3 (possible destructive winds in 48 hours)
- Lackland begins next level of preparatory actions for possible evacuation (physically begins setup).
- Arrival of Navy advon team.

Reception Condition 2

- When Navy goes to Tropical Cyclone Condition 2 (possible destructive winds in 24 hours)
- Lackland completes preparatory actions and is prepared to receive evacuees.
- **Note: Do not evacuate until you are directed to do so.**

Reception Condition 1

- When Navy goes to Tropical Cyclone Condition 1 (possible destructive winds in 12 hours)
- Lackland has completed all actions.

GENERAL INFORMATION continued

- Upon notification of severe weather evacuation, Lackland AFB Command Post will be notified with the following information:
 - Number of evacuees by gender, age, number of families, number of singles and individuals with special needs.
 - Number and type of pets.
 - Number of convoy vehicles.
 - Time of departure and estimated arrival time.
 - Special Requirements.
 - List of supply items being brought, if any.
- **Keep your computer data base info current**

GENERAL INFORMATION continued

- WHAT SERVICES WILL BE AVAILABLE TO EVACUEES?
 - Basic needs (three hots and a cot) will be provided to the members. Any additional items beyond basic needs will be at the members own expense.

GENERAL INFORMATION continued

- Useful Phone Numbers

- 210-671-NEWS(6397)

- PA information line

- 210-224-5151

- American Red Cross (San Antonio)

Pre-Planning

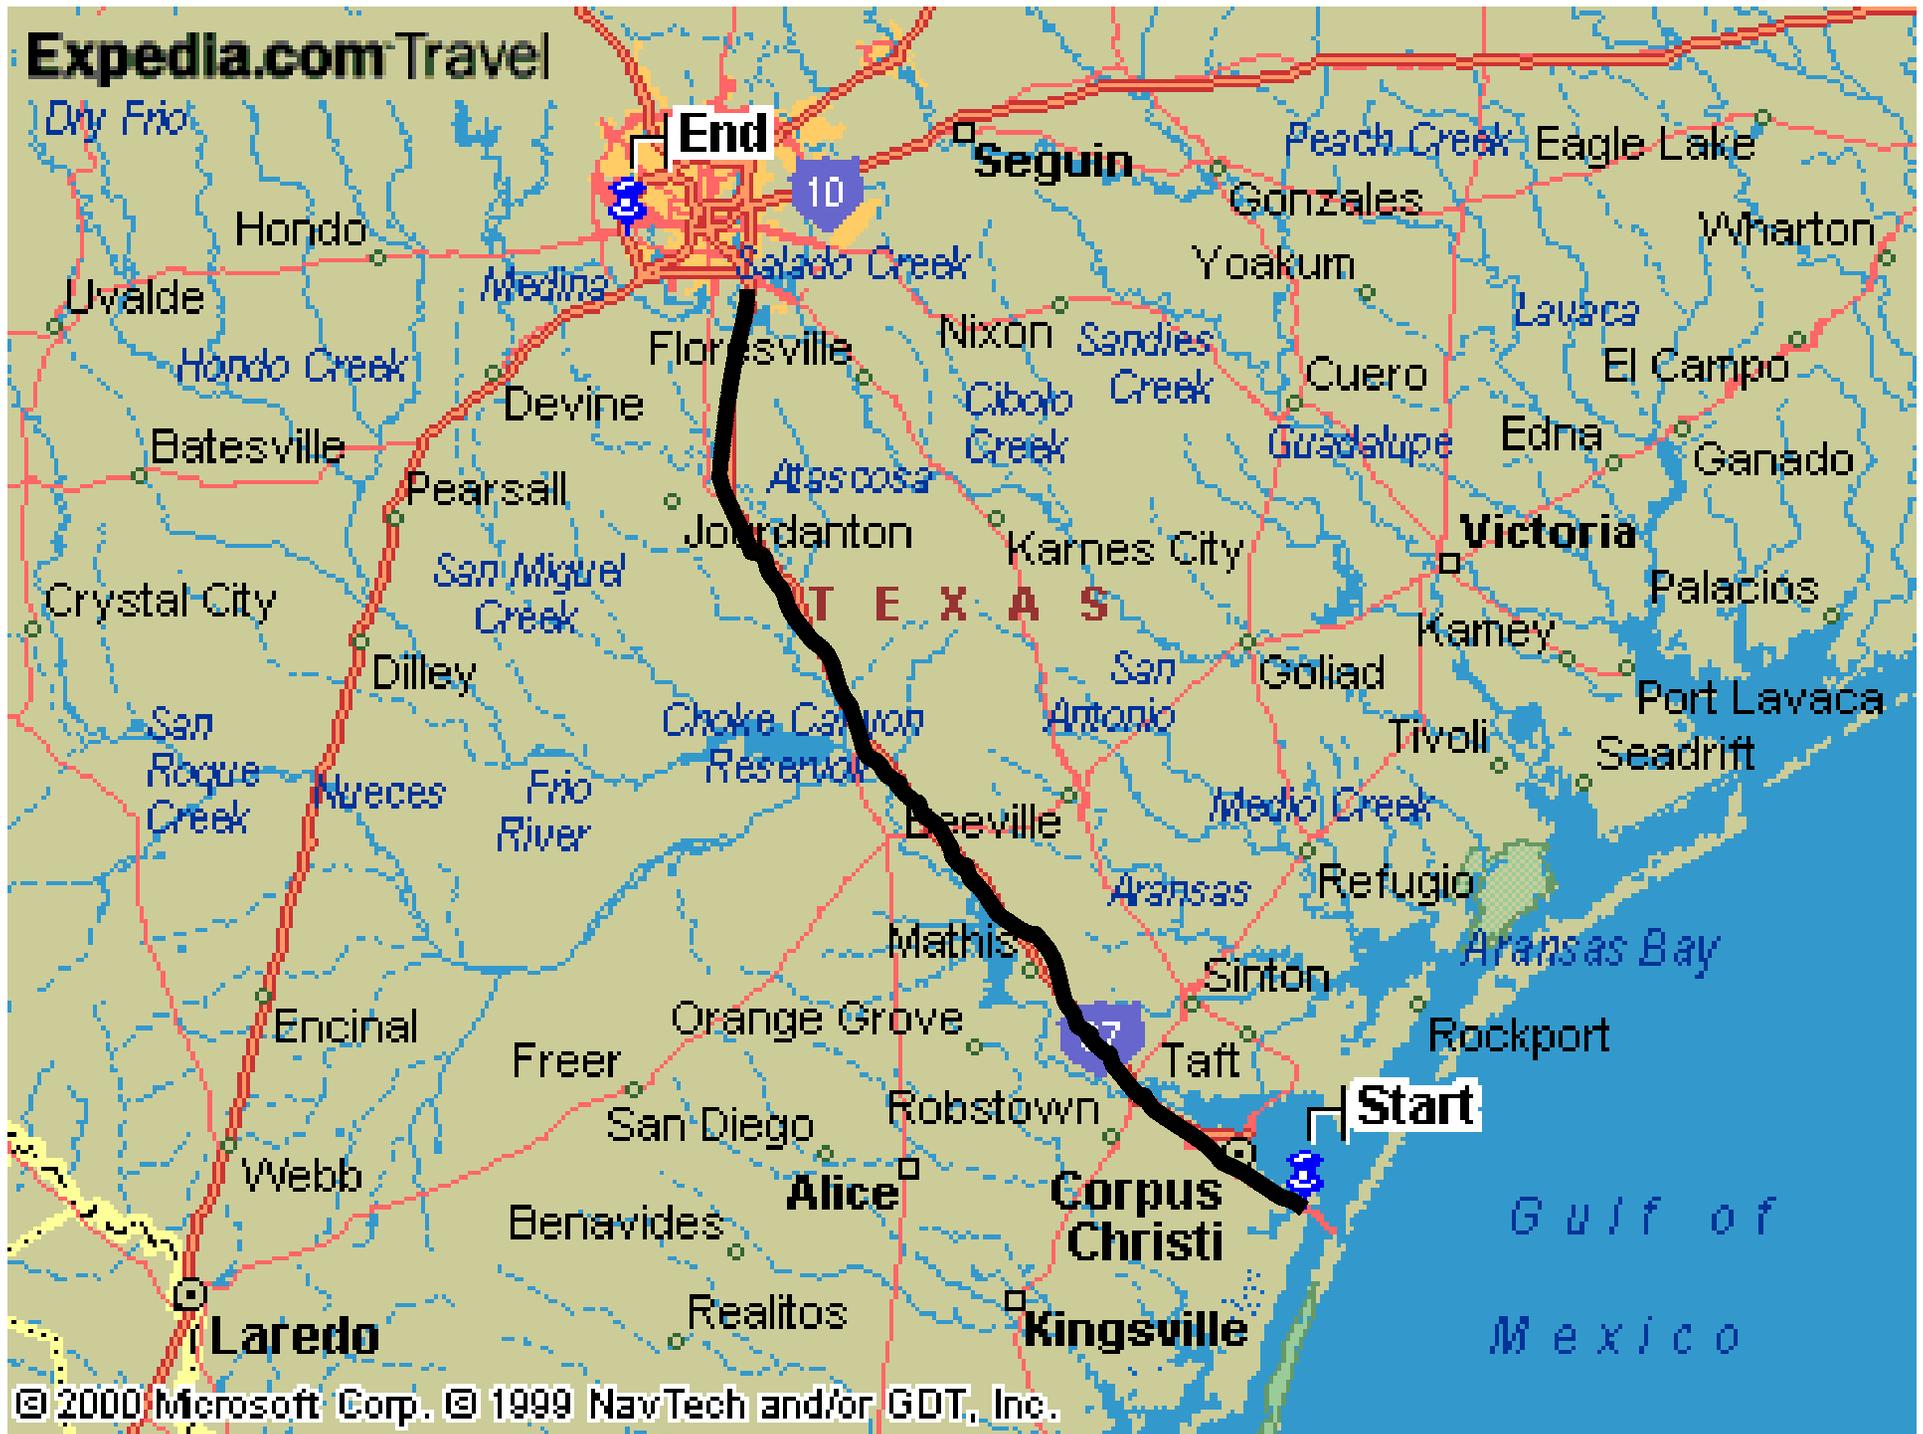

- Have a family evacuation plan
 - Items you will need to take
 - Clothing and toiletries
 - Medications
 - Money for unforeseen expenses
 - Items to tied you over until you inprocess
 - Pet items
 - Preparing your home
 - Contact number out side the area for if you get separated.

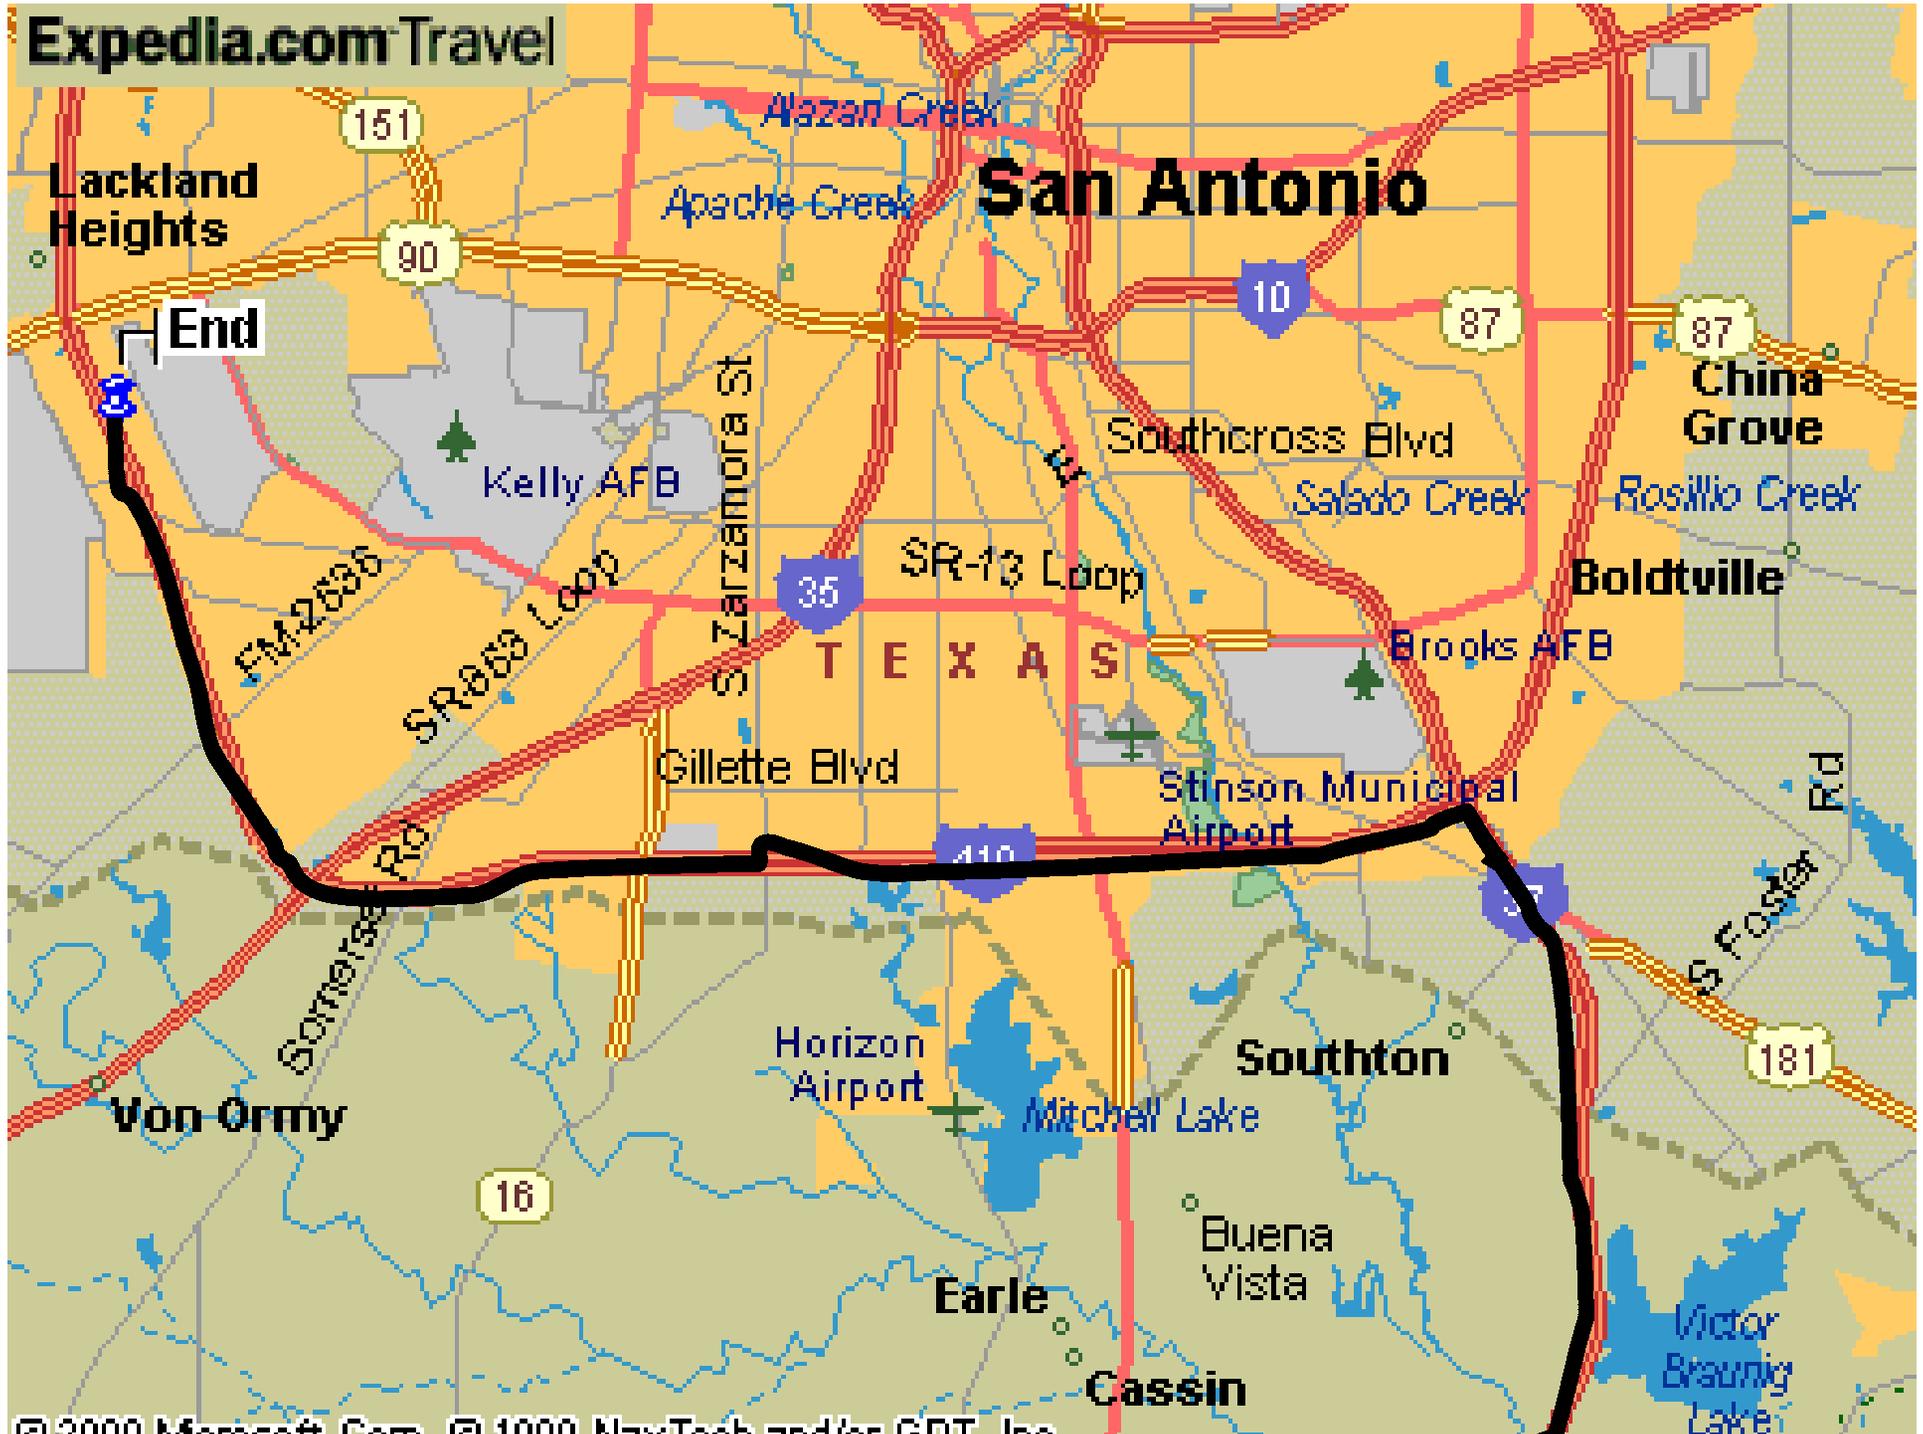

Pre-Planning

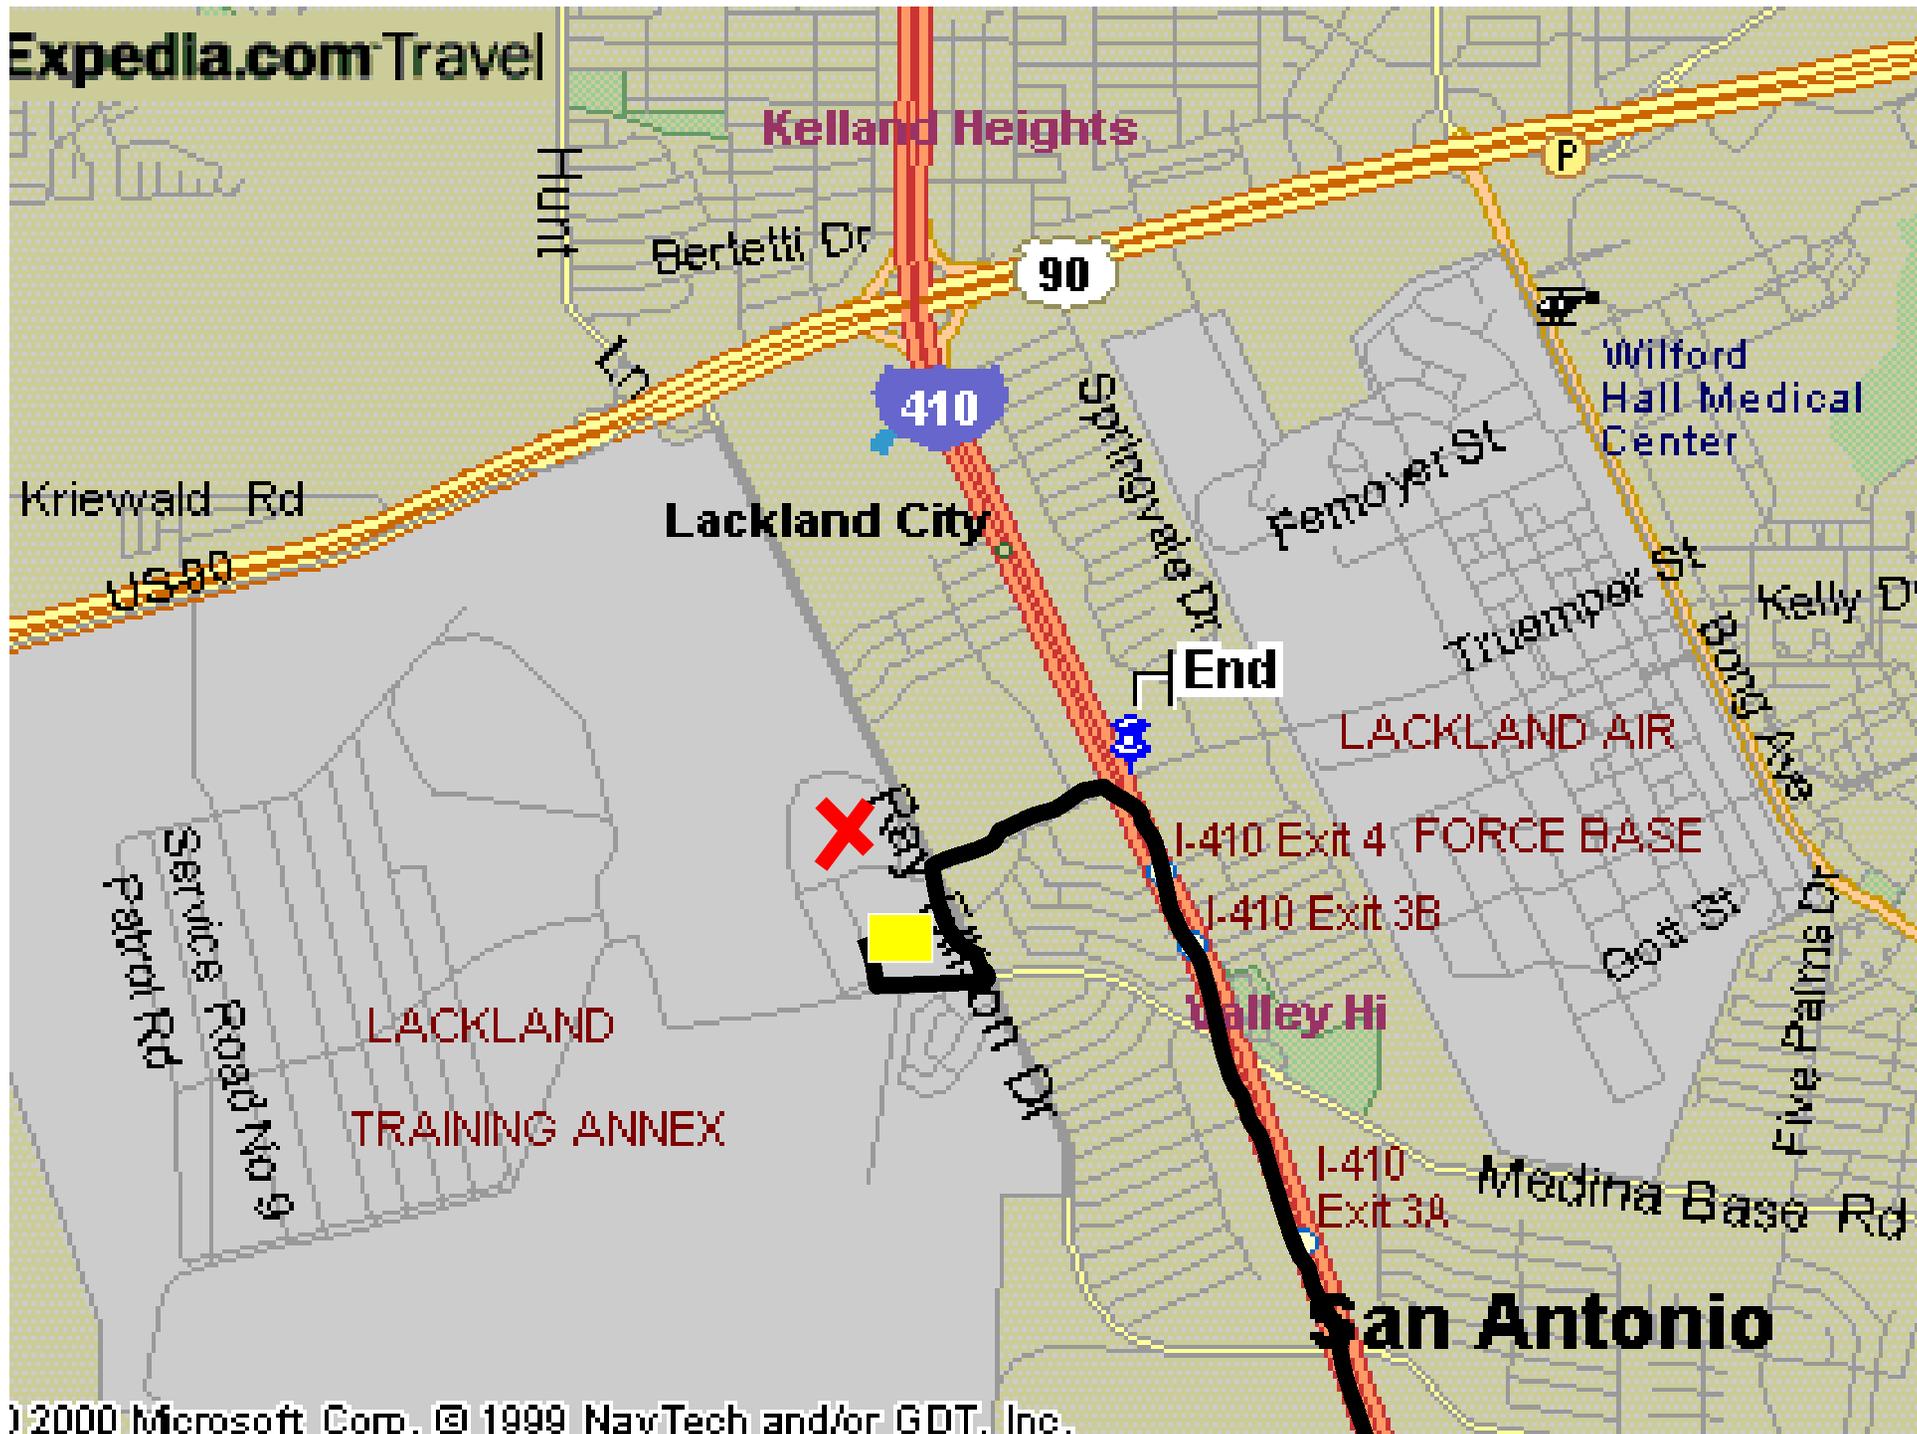

- Plan ahead for special needs
- Be responsible for your success

ROUTES TO TAKE

- The main route from Corpus Christi is Highway 37 North to HWY 410. Take the 410 West route and follow it to Valley High Drive Exit 4. Once on this street, look for signs directing you to the evacuee reception center.

REPORTING PROCEDURES

■ Identification

- Personnel evacuating from their home bases must have decals for their vehicles. Ensure that the military member and dependents have their identification cards. Non-DOD civilian evacuees will be referred to the American Red Cross (ARC) for shelter registration in the San Antonio area.

REPORTING PROCEDURES

■ Vehicle Staging

- All vehicles will be centralized to control traffic flow on Lackland AFB. Security Forces will direct personnel to the holding area for the vehicles.
- Shuttle services will be provided on base. Vehicles will be safeguarded while in the holding area. Access to vehicles will be allowed, however, operation is prohibited.

REPORTING PROCEDURES

■ Inprocessing

- Information package will be provided and billeting arrangements assigned
 - Families and singles
 - Lodging, Dormitories, Other
- One article of luggage per family member in the shelters
- Firearms are not authorized on base
- Inprocessing may take some time so please be patient

REPORTING PROCEDURES

■ Medical care facilities

- Wilford Hall Medical Center is located on Lackland AFB. All medications currently taken for health purposes should be brought with you. Illegal or controlled substances will be monitored for during the registration process.

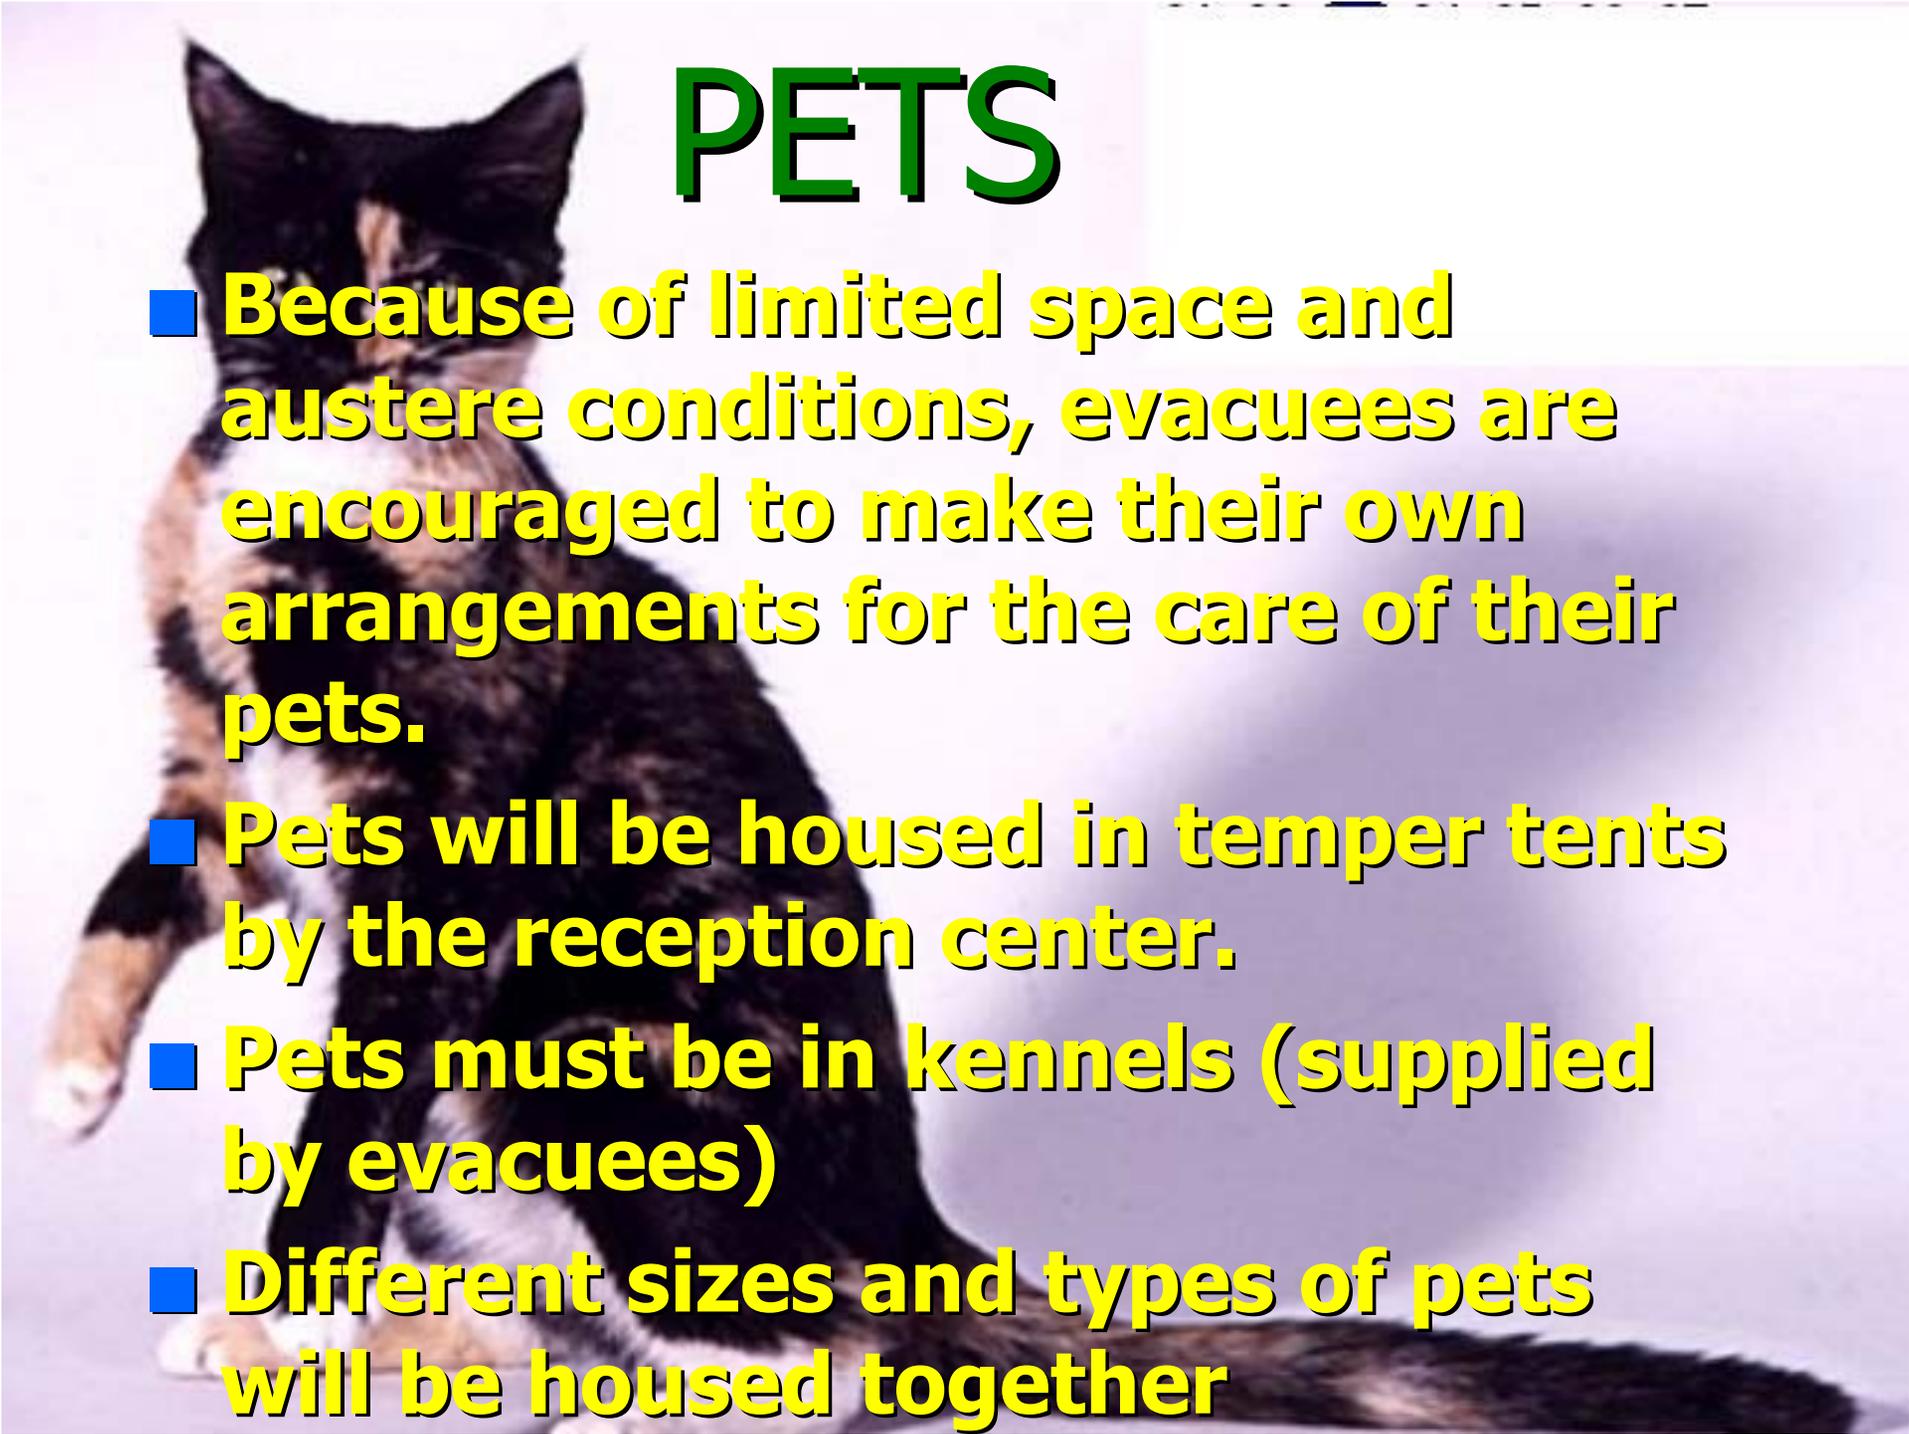

PETS

- **WHAT PETS CAN WE BRING?**

- **Cats and Dogs are authorized on base. Any exotic animals ie. Pot Belly Pigs, Snakes, Poisonous Animals are not authorized on base. Pet kenneling areas are not climate controlled.**

- **Note: Pets are not allowed in lodging or in any shelters.**

PETS

- **Because of limited space and austere conditions, evacuees are encouraged to make their own arrangements for the care of their pets.**
- **Pets will be housed in temper tents by the reception center.**
- **Pets must be in kennels (supplied by evacuees)**
- **Different sizes and types of pets will be housed together**

PETS

- **Bring all necessary items for your pets:**
 - Food
 - Kennel (Kennels will not be provided)
 - Medications and medical records
 - Leash
 - Etc. . .
- **MEMBER IS RESPONSIBLE FOR PET CARE**
- Pet sheltering is done at evacuee's own risk

FREQUENTLY ASKED QUESTIONS

- DO MILITARY PERSONNEL NEED ORDERS IF AN EVACUATION IS CALLED?
 - No orders are required. In the event a weather condition threatens the coast, Lackland Command Post will be notified. Your military identification card and purpose for coming up will be your orders.

FREQUENTLY ASKED QUESTIONS

- IF NAVAL AIR STATION DOES NOT EVACUATE, CAN WE (COAST GUARD) STILL EVACUATE TO YOUR BASE?
 - It is unlikely that all installations on the coast will evacuate at the same time. Any commander that feels their base is being threatened will make that determination.

FREQUENTLY ASKED QUESTIONS

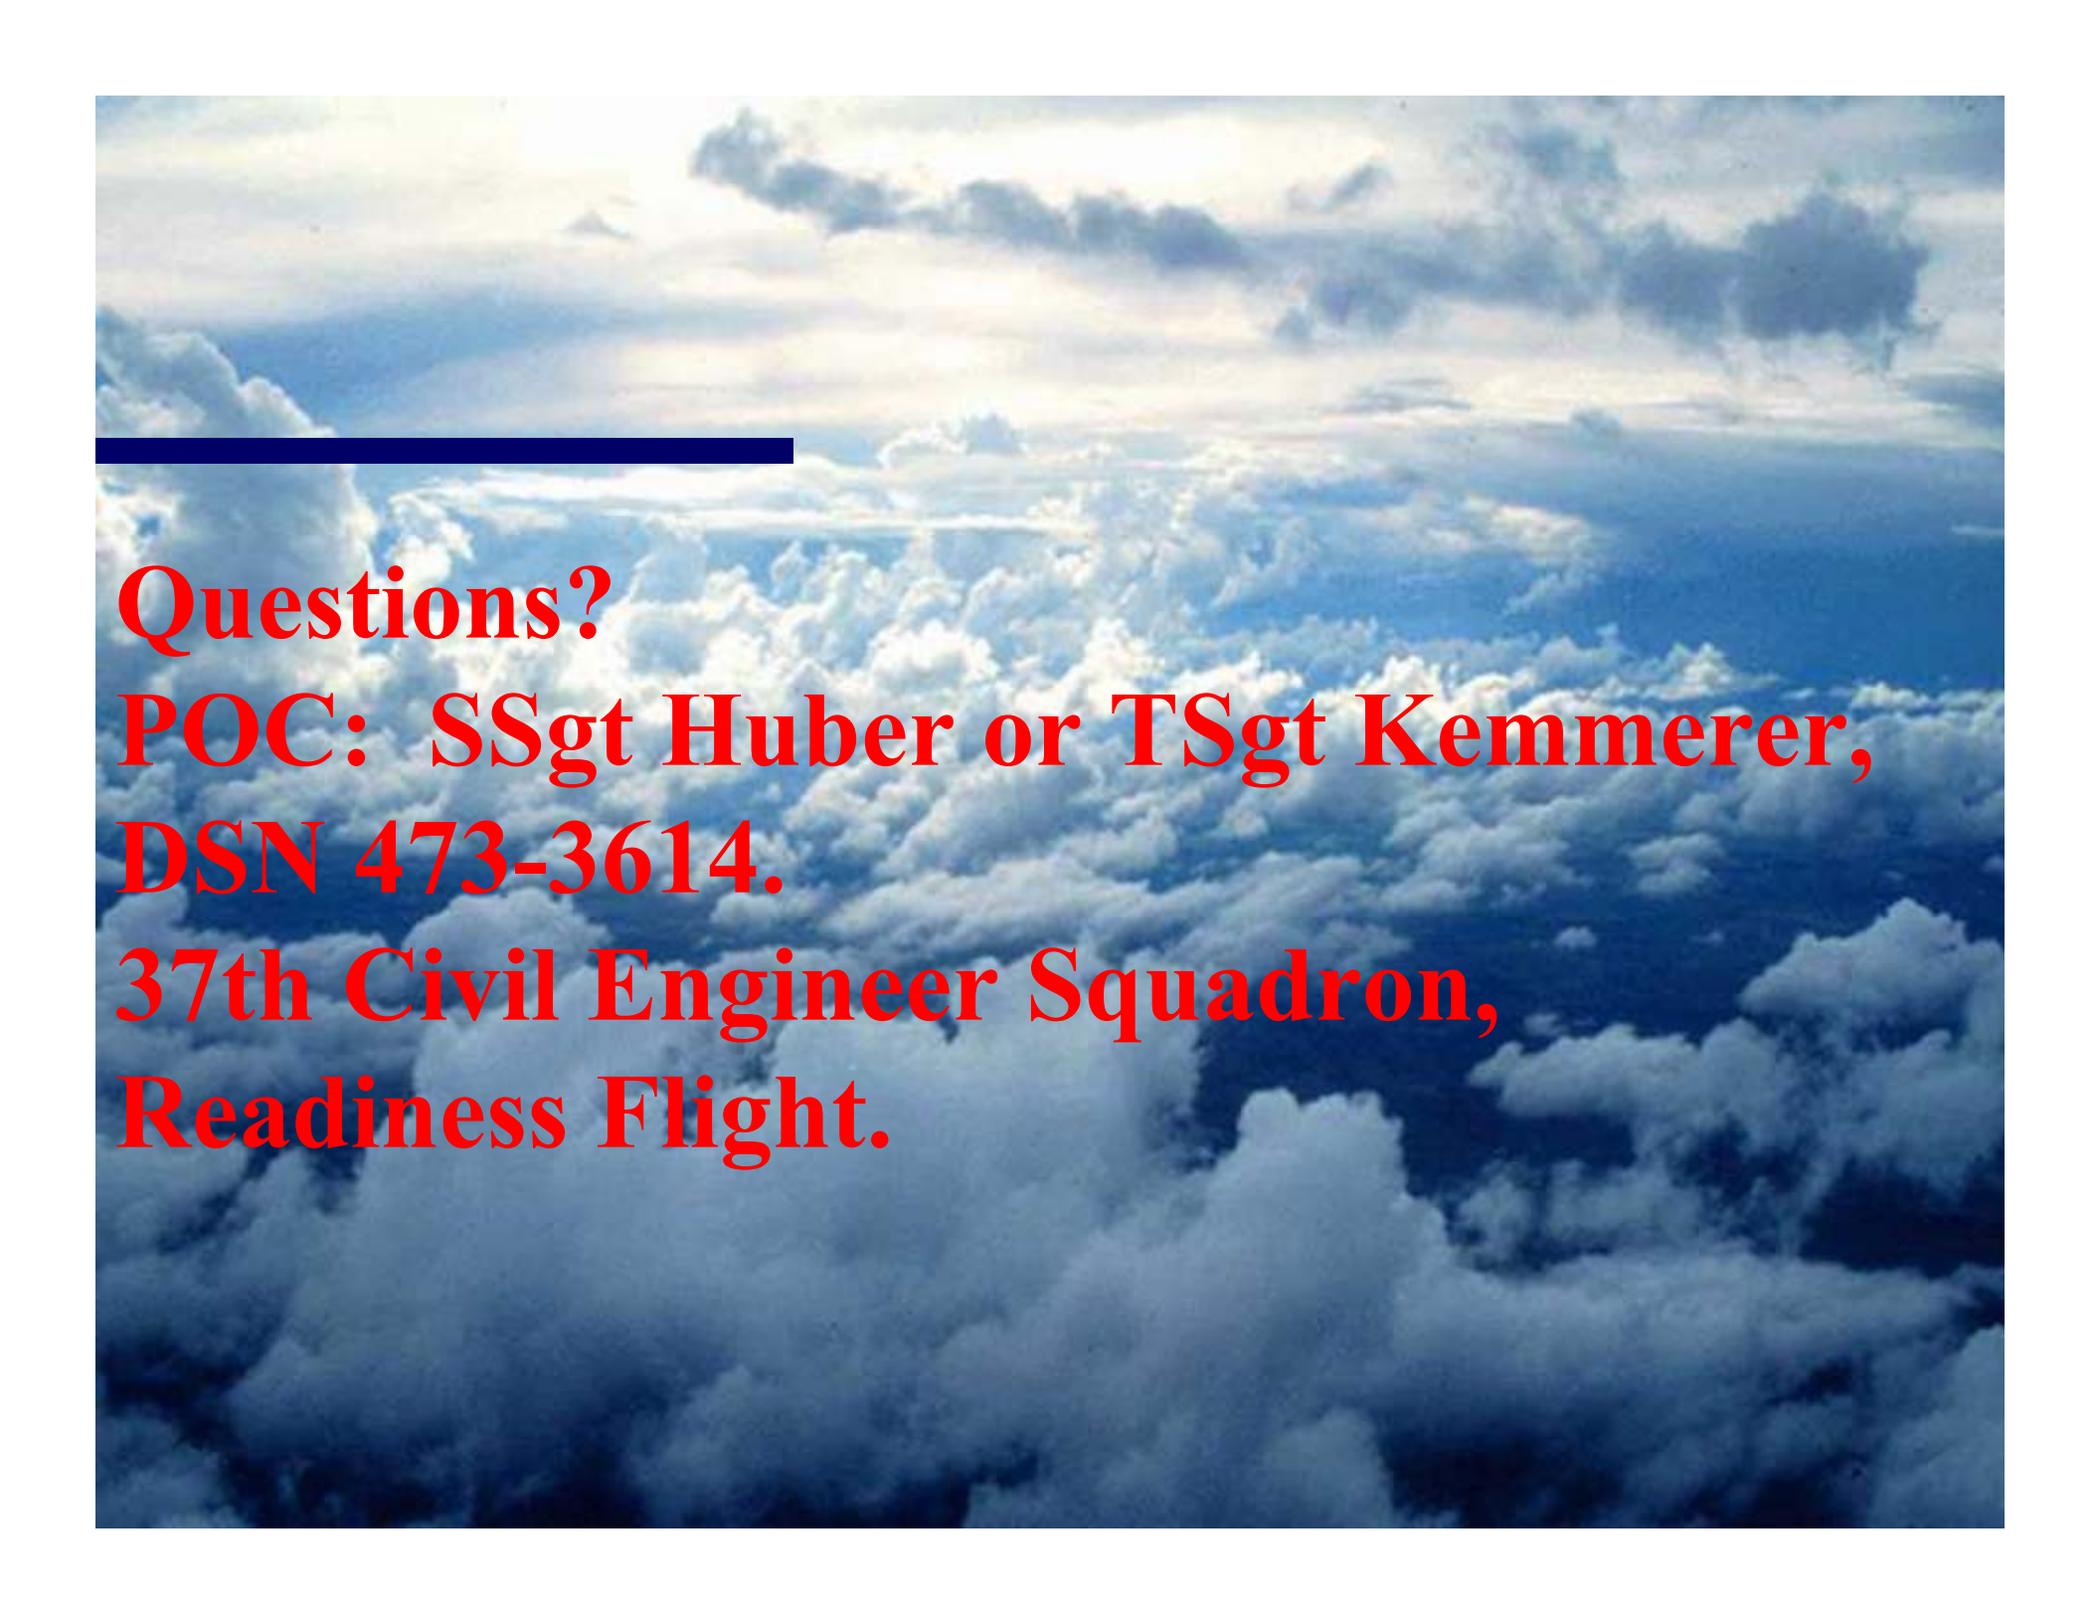

- WHAT WILL BE DONE WITH KIDS AND PARENTS, WILL THEY BE SEPERATED?
 - Families will be kept together. Single members will be housed separately.

FREQUENTLY ASKED QUESTIONS

- WHAT COMMUNICATIONS WILL BE AVAILABLE, PHONES, E-MAIL?
 - There are several facilities on base that have communication centers. These areas will be identified during the registration process.

FREQUENTLY ASKED QUESTIONS

- **POV'S WILL BE REQUIRED TO STAY PARKED IN ONE LOCATION, WHAT TRANSPORTATION WILL BE AVAILABLE TO EVACUEES?**
 - Shuttle services will be provided. A schedule of times and departing locations will be posted.
